Military Spouse Appreciation Day
Teacher Appreciation Week
Proudly Serving the Military since 1936.

GEICO salutes our Military members. We’ve made it our mission to not only provide you and your family with great coverage, but also to offer flexible payment options, numerous discounts, and overseas coverage to suit the demands of your unique lifestyle.

We stand ready to serve you. Get a free quote today.
In the month of May we celebrate our mothers and remember our fallen. Make sure to take extra special care of the women that take care of you this holiday. This Mother’s Day you can treat mom to a hearty Breakfast Buffet at the Fort Indiantown Gap Community Club (RSVP 861-2450) featuring all of your favorite comfort foods and freshly baked and melt-in-your-mouth pastries or take her for a magnificent buffet at the Letort View Community Center (RSVP 245-4329) with a wonderful selection of soups and a variety of specialty dishes.

This month we set aside a special day to honor Military Spouses. Military Spouse Appreciation Day is celebrated the Friday before Mother’s Day. It is a day to honor both the men and women and the role our Military Families play in keeping our Armed Forces strong and our country safe.

As we thaw from a very cold winter, we welcome longer days and warmer weather. Make sure to take advantage of the many services that Family and MWR has to offer. Visit your local Leisure Travel Services office at Carlisle or the Fort Indiantown Gap to learn about the Amish Experience and New York City On Your Own or pick-up discounted tickets for Disney Parks, Hershey Park or the Baltimore Aquarium. Experience the beauty of Pennsylvania with Outdoor Recreation via professionally guided trips for hiking, kayaking and biking as well as clinics and outdoor rentals.

May also signals the upcoming PCS season at Carlisle Barracks so don’t forget about the Post wide Yard Sale on May 20th. It is open to the public and there will be a consolidation of sales on Indian Field and throughout the post. The Carlisle Barracks “Splash Zone” swimming pool will be opening on Memorial Day weekend so make sure to check out www.carlislemwr.com for all the upcoming details.

Finally, while Memorial Day carries thoughts of outdoor fun and recreation, we also take this time to honor those who have given the ultimate sacrifice to secure our many freedoms. I hope you will all take some time to remember those who serve our country.

Whatever you choose to do this May, MWR is here to serve you!

What is Family and Morale, Welfare & Recreation?

In 1940 a branch within the Army was established known as the Morale Division which later became known as “Special Services.” Family and MWR is a group of men and women who provide support and leisure activities to our Soldiers (active duty, Reserve, and Guard) their Families, military retirees, and civilian employees. Currently working in Family and MWR are approximately 37,000 employees worldwide and their mission is to deliver quality programs to Soldiers and their Families.
On the Cover
We are so proud! Our CYS programs were inspected by the Department of Army recently. It’s a lengthy and meticulous inspection process. We scored an unprecedented 99.98% overall! McConnell Youth Center scored a crazy 100%!! Our military children are truly a priority here and it shows. If you stop in the centers, please congratulate the amazing group of professionals pictured on this month’s cover! Great work each and every one of you.

In 1984, President Ronald Regan declared May 23 as the first Military Spouse Day. Soon after, U.S. Secretary of Defense Caspar Weinberger standardized the date by declaring the Friday before Mother’s Day as Military Spouse Appreciation Day. Later, in 1999, Congress officially made the observance a part of National Military Appreciation Month.

The Military spouse population is large. There are more than 680,000 active duty spouses who play and important part in the military community. Due to their spouses' military duty they face many unique challenges. Spouses are and have always been an essential part of the Army Family and they contribute to readiness by allowing Soldiers to remain focused on their missions. They are the “force behind the force” and support Soldiers with courage through difficult circumstances, which include numerous household moves as well as stressful deployments.

The department of Defense is dedicated to helping military spouses overcome barriers. Some of the barriers are:

Employment: If you are a military spouse you can contact a certified career counselor through Military OneSource at 800-342-9647.

Employment Readiness: The Army Employment Readiness Program (ERP) provides military spouses assistance to acquire skills, networks and resources to join the workforce.

Family Readiness: Total Army Strong is the Army’s commitment to improving Family readiness through Soldiers and Family programs, youth services, childcare and spouse education and employment opportunities.

The Strength of our Soldiers comes from the strength of their Families and the Army spouse in the backbone of the support and strength.

Political and educational leaders first began discussions for a day to honor teachers in 1944. In 1953, Eleanor Roosevelt persuaded the 81st Congress to proclaim National Teachers’ Day. Congress declared March 7, 1980, as National Teacher Day. The National Education Association continued to observe Teacher Day on the first Tuesday in March until 1985, when the National PTA established Teacher Appreciation Week as the first full week of May. The NEA Representative Assembly then voted to make the Tuesday of that week National Teacher Day.

National Teacher Appreciation Day, also known as National Teacher Day, is observed on the Tuesday of the first full week in May. This day is part of Teacher Appreciation Week, which is the first full week in May of each year.

Teachers play a critical role in educating and shaping our children: the future leaders of our country. They are kind, patient, hard-working, dedicated and understanding professionals that mold our children’s lives in a positive direction. We entrust our children with the teachers, and they affect their lives on a daily basis.

It is time to say “Thank You” to the special teachers that you know. Let them know that they are appreciated for all that they do.
