March is a month of change. We change our clocks, the temperature starts to change (we hope). In Central Pennsylvania the weather is unpredictable, but as the days start getting warmer, we all look forward to getting outdoors. Many of you will be joining the Carlisle Barracks ‘Strength for Wisdom’ Challenge, in anticipation of the summer and beach days to follow. Are we helping you reach your goals to lose weight, get in shape, or just make healthy changes in your life? We’d love to hear from you!

With Easter falling in March this year, make sure to bring the kids out to the Moore Child Development Center for the annual Easter Egg Hunt on March 19th where the kids can enjoy the holiday festivities with games, activities and over 2,000 Easter eggs. In addition, the Letort View Community Center will host a delicious brunch on March 27th that you will not want to miss. Call today to ensure your family has a seat at 245-4329.

At MWR our goal is to provide activities, programs, classes and events that support the whole family. We want to be your first choice when it comes to child care, fitness, entertainment and fun! We welcome suggestions and your feedback. So please feel free to submit a suggestion via Interactive Customer Evaluation (ICE) system or by e-mail at marketing@carlislebarracks.com.

What better way to celebrate the arrival of spring than with sugary goodness at the Carroll County Arts Council’s 9th Annual PEEPshow to be held Friday March 25 through Wednesday, April 6 at the Carroll Arts Center. This sweet event features nearly 200 marshmallow masterpieces, including sculptures, dioramas, mosaics and even videos, all crafted from or inspired by sugary sweet Peeps®. This major regional event has attracted the attention of NBC Nightly News, the Food Network, and Just Born, the company that has made Peeps since the 1940’s.

The public can vote for their favorites by purchasing vote chips that will be sold for $1 each, 10 for $5, 25 for $10, 75 for $25, or 200 for $50. The public will vote by putting their chips in the container next to each work of art. Awards to those receiving the top eight highest number of votes will be announced on Wednesday, April 6 at 6:30 pm. All proceeds will benefit the Carroll County Arts Council, one of the community’s most vibrant non-profit organizations. There will be an array of PEEPS® souvenirs and treats for sale as well.

PEEPS® are a confection created by Just Born of Bethlehem, Pennsylvania. The candy has achieved an almost cult-like following and several large metropolitan newspapers across the country have organized diorama contests around these sweet treats. But certainly none rival the scale and quality of what will be on display at the Carroll Arts Center.

Admission to the event is free. Hours are 10 am to 7 pm daily, including Easter Sunday. Voting will end at 5 pm on the final day of the event. In 2015 the PEEPshow attracted a record-breaking 27,000+ visitors from the area. Previous year’s events have featured a wide variety of entries, including a life-sized Olaf from the movie Frozen, the “Statue of Peeperty,” the “Big Bird,” “Goofy,” and a host of magical monsters, sports heroes, movie characters and other clever celebrations of pop culture, history, and fine art. In addition, there are even “Peep” films shown in the Arts Center’s 263-seat movie theatre. Last year’s entries featured a record-breaking total of 33,000 Peeps!

The Carroll Arts Center is located at 91 West Main Street in the magnificently renovated Carroll Arts Center, formerly the Carroll Theatre in downtown Westminster, MD. The Art Deco building now houses a 263-seat theatre, galleries, the Gift Shop, classrooms, and offices. CCAC’s mission is to enrich our community, both culturally and economically, by presenting, promoting and supporting a wide variety of arts opportunities for our residents, visitors, and artists. For more information call 410/848-7272 or visit www.CarrollCountyArtsCouncil.org.

Anyone can Google the directions to get to the Peep Show in Westminster, MD. But do you Google what is on the way? There are two routes I would take to Westminster: Route 97 through the country side or Route 140 (both accessed from Route 15). Both offer a look at Southern PA and North Central MD life along the Mason Dixon line.

**Maggies:** This local girl’s favorite place to go when she’s home. A classic pub style restaurant serving what Maryland does best: seafood. Everything is good here though; from the bison burger to the chicken. But you can’t leave without trying their signature cream of crab soup or crab cakes (which I can contest to having shipped wherever we are stationed).

**Baughers:** If you want a good ole’ classic American home-cooked country meal that is farm to table, then this is the place to go. Open since 1948, country-style meals have been served with their own produce from their local orchard. Check out their fried chicken with gravy fries and corn fritters.

**Hoffman’s Ice Cream:** This is the ice cream parlor you begged your parents to take you on the weekend. Hoffman’s has been making homemade ice cream since 1947. Enjoy 50 different flavors of rich and creamy ice cream.

**Paradiso Ristorante:** Set in a renovated WWII distillery, this is classic Italian restaurant. Be sure to try their manicotti in their homemade marinara sauce.

**Carroll County Farm Museum:** Take a step back in time and head to the museum which hosts 15 buildings dated from the 1700s to 1850s. Experience 19th century rural life with a living history exhibit and the farm tour. Be sure to check the website for any events that might be happening that weekend: http://ccgovernment.carr.org/ccg/farmmus/GeneralInfo.aspx

**Union Mills Homestead:** Built in 1797, the Shriver home sits in Union Mills and the museum features the original home, the grist mill and bridge. The homestead hosted Jeb Stuart and the Army of Northern Virginia one night and the next night hosted James Barnes and the 5th Corps Army of the Potomac. The museum is only open from June to September, however, you can stop and walk around the grounds to see eloquent rural architecture. http://unionmills.org

**Hashawa Environmental Center & Bear Branch Nature Center:** 320 acre park with walking trails. Walk along the Raptor Mews and see local birds of prey that are unable to return to the wild. The Martin Homestead is a pre-Civil War cabin that you can also explore. Bear Branch Nature Center is located on the grounds and has Discovery Room for children; however the Nature Center is only open 5 days a week. http://ccgovernment.carr.org/ccg/recpark/hashawa/

If you were to take 15 S to 140 East here are a few alternatives for the trip there or back:

**Emmitsburg, MD:** Home of Mt. St. Mary’s College, FEMA Training HQ, National Shrine of the Grotto of the Lourdes, The National Shrine of Saint Elizabeth Ann Seton. It is the Easter Season and what a stop to make in historic Emmitsburg, which is nestled at the foothills of the Catoctin Mountains. Emmitsburg is home to the National Shrine of Saint Elizabeth Ann Seton, the first American-borne Saint. At the Shrine, you find the Setons’ home as well as Saint Joseph’s Provincial House and Cemetery. In the Cemetery, you will find The Stations of the Cross. Up the road, near Mt. St. Mary’s College, the Grotto of the Lourdes is located. Here you will find a replica of Lourdes, France where Mary appeared. One doesn’t have to be Catholic to enjoy this little unknown bit of history just down the road from Carlisle.

**Chubby’s—”Hole in the Wall,” Southern style BBQ restaurant:** Located right on 15. Get the chili and the burnt ends platter and pick one of the many Chubby’s sauces to bathe your BBQ. Check out the old-fashioned fries or their potato skins with the house chili on them. Sandwiches come big so you won’t be leaving hungry. One of the only places you will find draft root beer as well.

**Frontier BBQ:** Only open Friday-Sunday from 11am-5pm located in Fairfield, PA. They only make so much BBQ so when it is gone, its gone. A variety of hickory smoked meats are available: brisket, pork and bullhawg (a mix of brisket and shredded pork) is found on the menu. And if it is a nice weekend, you will probably find live bluegrass bands playing. Order the Sloppy: Texas toast topped with brisket and fries and then covered in the gravy made from the brisket or get the Cowboy Sundae: your choice of meat, coleslaw and baked beans. Be sure to bring cash; no credit cards welcome there!

Whether you are the highway driver or the scenic route taker, you will find stops along the way to the PEEPshow. Take your time and enjoy the rambling Mason Dixon Line small town life and scenery.

**Carlisle Autocare Service**  
**Tip of the Month**

We would like to give you an update on some of the things happening in automotive fluids. You know, cars are becoming more sophisticated everyday – and fluids such as, oil, coolant and transmission fluid are becoming more specialized at about the same pace.

The do-it-yourselfer has to be pretty careful so that they do not actually harm their vehicle with the wrong type of fluid. That is why so many car owners rely on the advice of their service consultant to not only get the correct family of fluids, but to suggest the formulation that is best for their car and the way they drive.

Let’s start with engine oil. If you have been paying attention, you will have noticed a number of new oil weights on the scene in the last several years. Modern engines are built to much tighter tolerances and have very complicated valve trains. The oil must be thin enough to lubricate complicated parts when the engine is cold. The weight of an oil is expressed in terms like 20-W-50 or 5-W-30. Manufacturers recommend the weight of oil for each vehicle they make. The recommendation is based on engine design. Your service center will know what weight your manufacturer recommends – and it’s important to follow those recommendations. A service adviser at Mullen’s Tire and Auto can also offer suggestions for special formulations and can explain conventional and synthetic oils.

Antifreeze, or engine coolant, is another area that has become more complicated. For a long time, manufacturers only called for a couple of different types of coolant. Now there are several different formulations that are needed because of the different materials that manufacturers are using to build the cooling system. Using the wrong type of coolant can actually void your warranty, so you want to get that right.

Transmission fluid is beginning to be specialized as well. New transmission designs have particular requirements that mandate the use of specific formulations. Recently, new, somewhat confusing, standards for brake fluid have also been released.

Not too long ago, there was a good chance that all of the vehicles at your house would use many of the same fluids. However, as automotive technology advances, the array of basic automotive fluids you need will grow. And, some of the formulations will cost a little more. Fortunately, your service center will continue to update their training to keep pace with technology so that you’ll get the right fluids your car needs. It’s all part of the commitment your service center makes to your driving peace of mind.

Carlisle Barracks Army Emergency Relief (AER)

AER was established in 1942 by Soldiers for Soldiers in response to the financial demands of the World War. That’s why it’s referred to as “Soldiers Helping Soldiers.”

As a private nonprofit agency, AER is funded solely by the generous donations from Soldiers and the community. AER does not receive donations through the Combined Federal Campaign (CFC), but through its annual fundraising campaign, which runs this year through May 15.

The AER office at Carlisle Barracks is responsible to assist all Soldiers, retirees and their family members throughout the state of Pennsylvania. In 2015, this office collected over $65,000 in donations, but distributed over $204,000 dollars in loans and grants to over 97 Soldiers and family members.

Today, financial demands continue to press our Soldiers, mostly through no fault of their own. AER assists with such things as emergency travel costs, when the unit cannot; with privately owned vehicle, or POV, repairs that exceed a Soldier’s savings; and with rent and initial deposits when basic allowance for housing, or BAH, has not started or is incorrect. AER also helps with much more basic living necessities.

Scholarships

The secondary mission of AER is scholarships for spouses and children of active duty and retirees. The scholarship is “needs-based,” and last year ranged from $500 to $3,300.

The scholarship application period began Jan. 4, and it runs to May 1 when all supporting documentation is due to AER headquarters. The entire process is online; no snail mail is required. Visit www.aerhq.org to link to the scholarship applications.

Last year, AER awarded 4,245 scholarships, totaling more than $9 million to spouses and children of Soldiers.

Your AER donations are put to good use for Soldiers and their families, so when you just don’t have the cash, let AER be your first choice.

AER Campaign Kick Off Breakfast

March 8, 2016
Letort View Community Center
Guest Speaker
On February 10, 2016 Carlisle Barracks MWR opened a highly anticipated addition to The Letort View Community Center (LVCC)! The Pershing Tavern is a neighborhood style alehouse and eatery that was named for John Joseph “Black Jack” Pershing, the general who led American Expeditionary Forces to victory in World War I over Germany. It offers an old world setting with traditional tavern style food and drinks. Whether you are out for a pint with friends, hosting an event or large gathering the experienced staff at The Pershing Tavern will be there to provide world class customer service.

LVCC manager Scot Richardson stated, “My vision for the Pershing is to create a venue that can be used for any event including Change of Commands, wine tastings, seminar meetings, spouse’s club outings, as well as rehearsal dinners and private parties”. The Tavern is the result in large part to Scot’s hard work and dedication. His attention to detail, and perhaps actual blood, sweat and tears are evident throughout the entire room with its handmade bar and custom molding to its expansive cabinetry.

Whether you are a legitimate “Stammtisch” (ask someone who was stationed in Germany) or a first time guest, the Pershing Tavern’s casual elegance and traditional ambience has something for everyone. Multiple flat screen televisions that can easily be seen from any vantage point and WiFi make it the perfect spot for you to enjoy any sporting event or party. Adjacent to the addition is the Vandenberg room where you will find ample room for the entire family to sit down and enjoy dinner. You can also enjoy entertainment provided by one of the fantastic local musical acts that play every Thursday at no cost!

The Community Center has a Mug Club that will allow anyone to partake in a piece of the Army War College and Carlisle Barracks’ rich history and tradition. The tavern’s normal operating hours are Wednesday and Thursday from 4 to 10 pm. The facility is also available for rent to host your upcoming event. Contact the LVCC at (717)245-4329 for availability and rates.
March is the month we start to dream of warmer spring weather and think about getting back outdoors.

If you’re an avid gardener, you’ve probably already started planning and Cumberland Valley’s collection of garden centers and markets can help inspire your next flower or vegetable bed. Local favorites like Ashcombe Farm & Greenhouses in Mechanicsburg, Highland Gardens in Camp Hill and Maplewood Produce & Greenhouses in Shippenburg offer tons of supplies, seeds, plants, and are a wonderful resource for questions and tips.

If springtime for you means getting back outdoors, view Cumberland Valley’s Top 10 Hikes at VisitCumberlandValley.com/10hikes. They range in level of difficulty, length and offer scenic views of the Valley. Aside from hiking, the Valley offers easy-to-follow bike routes, bird-watching hotspots, fly-fishing, kayaking and more.

When the weather still isn’t cooperating, there’s plenty of great indoor places to have a good time. Take the kids for a hands-on learning experience to the Oakes Museum at Messiah College, Solider Experience Gallery at the U.S. Army Heritage & Education Center or the Whitaker Center for Science and the Arts.

Looking for an evening out with just the adults? Browse the Valley’s breweries and nearby wineries for tastings, delicious food and live music. A good place to start is by following the Cumberland Valley Beer Trail on VisitCumberlandValley.com.

Find even more fun spring things to do and plan your next getaway at VisitCumberlandValley.com. There are also a variety of fun events and happenings throughout the Valley. View a sampling below.
